

Replacement Knives for CentroLock™, & Terminus™ Style Heads

Love the quick change planer/moulder knife heads but hate the expensive replacement planer blades? We are here to help. We offer an alternate high precision, low cost supply of knives for Weinig/Leitz™, Centro-lock™ and Terminus™ style cutter heads. No volume buy-in's (like the other guys) to reach a price level, just a great price on any quantity.

See page 26 for heads.

Offered in both **T1-HSS** and **Micro-Grain C3 Carbide** knives for 10 times the life. Precision knives made by Titan Knife Works. Exact fitting and smoother surface finishes.
