

High Production Planer Blades

We stock a wide selection of precision made planer knives cut & packed in balanced sets. Our knives are salt bath heat treated for true consistent hardness and horizontal ground to a fine finish to provide a smoother wood surface. Standard 5/32" x 2" wide grades and stock lengths are shown below, call for additional grades and sizes like; Flash Chrome coated*, Black Nitride treated, and carbide tipped knives.

*Sand Blasting available. Surcharge & 10 week delivery apply.
