

# Heavy Duty (HD) Multi-Profile Insert Heads & Knives

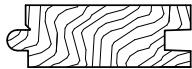

Our new heavy duty multi-profile insert heads accommodate a wide variety of profiles; including deep profiles. The HD design is especially suited for troublesome woods. The knife system incorporates 6mm thick backers for extra strength and the heads are 3-wing for increased durability. A groove cutter support prong can be added to the tool body for even more strength and durability.

60mm wide heads, knives, and backers are available for 3/4" thick flooring and are in stock for immediate delivery.

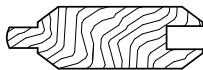

Examples:

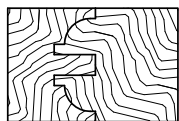

Flooring

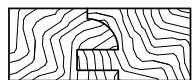

Panelling

Door Frames

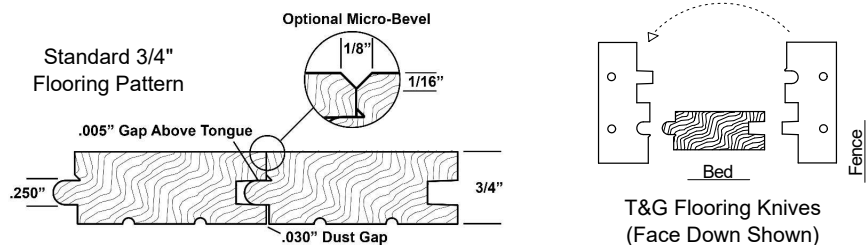

Cabinet Door Frames
