

Made to Order Templates and Template Supplies

Made to Order Templates Plastic or Steel

Short of time? Let us help by making your profile grinder templates. Send us your drawing or pattern number and we can ship most templates the next day. Acrylic Plastic templates normally cost \$40.00 each. Steel templates and wood checking gages are also offered at an affordable price for longer template wear life.

Template Steel Stock

We have available template making steel, or ready to use pre-made custom profile grinding templates from hardened steel. Q.C. checking gages and jointing stone grinding templates can also be made to improve product consistency. Fax or e-mail your profile for a quote. Hard steel templates offer great strength & 10 times longer wear life over plastic. Too busy? We can make steel templates quick.

Template Steel Stock

Complete Tool Room Supplies

We offer nearly anything you would need to make precision moulder knives and steel templates. Our list of support supplies includes measuring gages, calipers, files, stones, and much more. A full line of industrial supplies; from cut proof gloves to lay-out dye, and from straight edges to a full line of safety supplies to protect your eyes and lungs when grinding. Call for any specific items, we will find what you need.

Files help shape your jointing stones to profile. Standard high quality files are offered plus we have a line of Diamond Electroplated long wearing files. Diamond files come in 3 sizes and many shapes all coated with ~ 200 grit diamond that never seems to wear out. Call for prices and details on the size you prefer.
